Executive Headteacher: Mrs J Fearnley (B.Ed. Hons)

Rockingham Junior and Infant School Newsletter

28th September 2018

Macmillan Coffee morning 2018:

A huge thank you to all the parents and children for attending our Macmillan Coffee morning. A fantastic charity that supports so many families <https://coffee.macmillan.org.uk/about/why/>. Our fabulous LSA's and PTA, supported by some of our parents have done an amazing job organising and baking at home. **Congratulations** to Darcie-Mae's mum in F2M on winning this years star baker. Look out for our next event, a Christmas Family movie night, we hope to see you all there.

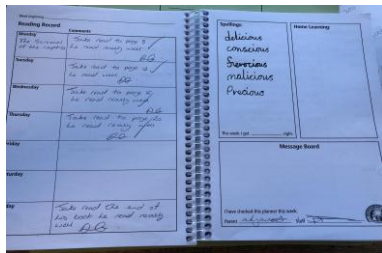

Open Door Reading:

What a success, our first week of open door reading was a huge success, we really enjoyed having so many parents in school supporting learning, we hope to see more of you next week. Reading is one of our whole school priorities and we really want your children to succeed. We will be starting a reading champion scheme over the next term and rewarding children who make progress, moving through the book band colours. Reading is one of the most important things you can do with your child.

Home Learning Menu:

This week we have had lots of conversations with many parents regarding our home learning policy, weekly, children will receive spellings, reading and numeracy home learning linked to their topic. This can either be calculations they have been learning in class or using our new online platforms, sumdog and times table rockstars. We also ask the children to complete a short reading task based on their guided reading book they are reading at school. All children will receive positive dojos for completing home learning and this will be shared in special mentions or with their class. There is a home learning menu which is sent out each term linked to the topic they will be learning which will help develop their knowledge and understanding and provide opportunities for you to learn alongside your child. Our Class Dojo policy is on the school website if you would like to read this.

Peer Mediators:

Our Peer Mediators (22 children from all Key Stages) have been out in force this week helping children build positive relationships on the playground. They are there to promote positive play and encourage children to make new friends. This year we have more support from Ann Foxley Johnson from the Anti Bullying Alliance who will support pupils in learning about conflict resolution. You will also be invited to a family learning session on internet safety on the **25th of October** which we hope many parents will attend.

Playground Games:

Thank you so much to our parent teacher association for using the money raised from last year to purchase new playground equipment for our children. We have spent over £1000 on new resources and can't wait to see them out on the school yard. Our peer mediators will be able to help the children develop new playground games and support new friendships.

School Meals:

Here are the new lunch menus for November -

Riverside Catering School Meals					
Four Choice Menu					From November 2018
