Rockingham Junior and Infant School Newsletter

18th January 2019

Young Voices:

On Tuesday the 8th of January the children performed at Sheffield Arena for the Young Voices Concert with over 4000 children all singing together to form a choir. The evening was spectacular with guest performances from Tony Hadley, Sharlene Hector and Beau Dermott. We had an incredible night and thank you to our wonderful parents for coming to support and watch your children at what is the best event on the singing calendar.

Nemesis:

Over the last two weeks we have had two successful meetings involving parents, children and members of our local community including Robert Elliott our Ward Councillor, Paul and Helen our PCSOs from SYP and Diane Etchell from St Mary’s church along with a whole host of people people from the community who are excited about developing our caretakers house into a base for children. We are looking for parents with a range of skills who will be able to help either through offering supplies such as carpets, furniture or people who have a trade/business who can provide plastering, renovation work etc. If you feel you can support with our project don’t hesitate to contact school.

The Visioning Event?

Year 5 Shakespeare:

On Thursday the 10th and Friday the 11th of January our Year 5 children performed at the Willow Tree Shakespeare festival at the Civic theatre. After months of workshops and lessons the children were ready to bring their performance to the stage. The children were fabulous and the performance could have been on at the Globe! They delivered lines with confidence and showed excellent stage presence. Thank you to the staff and children for giving up two late nights to ensure we are giving children the best possible experiences.

David Lawrence Jones:

What an incredible afternoon, the children thoroughly enjoyed our visit from David. The children were laughing from start to finish, his main aim was to inspire and motivate children to read. He shared many of his books and stories from his childhood and had the children acting out parts from the stories. Our Foundation children enjoyed being involved in a whole school assembly and wondered how Miller was sucked down the plughole. We can't wait to see him again on Friday for his book signing. If you would like to purchase any of his stories he will be here on Friday afternoon to sign them, please complete the form given by your class teacher.

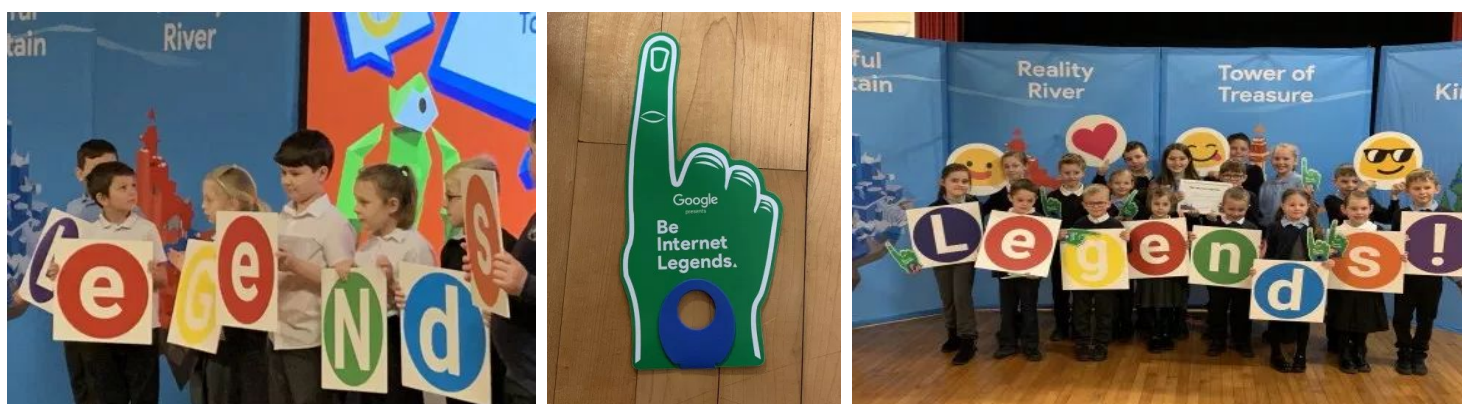

Internet Legends:

What an incredible morning, thank you so much to Jez and Paulette for sharing a very clear message with our children.

South Yorkshire Finals

Congratulations to our under 9 boys on coming third in Wednesday's South Yorkshire Finals. We are so proud of your achievements. Thank you so much to Miss Tyzack and Mr Purshouse for your hard work in supporting and coaching the boys to success. I can't wait to see what you can achieve next year.
