Ann Foxley Johnson - Emoji Joe/Respect

Again, another thank you to our children who worked extremely hard with Mrs Foxley Johnson, the children have been learning about respect and how to discuss their feelings. We know the children learned so much throughout the day and will continue to develop mutual respect and support each other in their work as RP representatives. This work will start after Christmas where the children will begin their training on Restorative practice and how they can resolve conflict. We can’t wait to turn our hut in the playground in to a RP hut.

Year 5 Shakespeare Workshop:

Last week, we had a visit from a local Shakespeare company to perform MacBeth for us and the children from Greasbrough school. The play was fabulous and all the children really enjoyed the experience. Over the next few weeks the children will be able to use the acting skills seen on show to help them with their own performances. We cannot wait to see 4/5D and 5P take to the stage after Christmas at the Civic.

Visits to Greasbrough Library:

On Monday, our year 1 children will be the first class to go to Greasbrough Library and spend the morning enjoying a love of books. Over the next few months all the children will be visiting the library to sign up to borrow and enjoy books. If you cannot find the sheet to fill in, please collect another sheet from the office. We really love supporting the local library and hope the children used the facilities in the future.

Rockingham Gets Festive:

The little Elves have been into school to transform Rockingham into a magical wonderland, all the staff have been busy getting the school ready for our Christmas productions. I hope you have received a copy of all the dates that have been sent out this week, you can also access this information via our school website, information for parents, calendar. Thank you to all the staff for your hard work and dedication to making Rockingham the best school in Rotherham.

Let's get creative

Our Year 1 and 2 children are making bird feeders to hang outside their classroom they will be using binoculars to identify any birds that may be passing by. Mr Clark is really excited to hang them outside. Lets keep our eyes peeled, what birds can you see.

ICT

Our ICT Skills are really developing through the support of Mr Harrison and Mrs Smith who now work in school on a Wednesday supporting our classes throughout the school. Here are 6B in action using Tinkercad to make 3D lighthouses.

Foundation 2 love the Gruffalo

Children in Foundation 2 have really enjoyed reading 'The Gruffalo' by Julia Donaldson. They have written shopping lists and created their own recipe for Gruffalo Crumble which was delicious! Throughout the continuous provision the children have made connections across their learning and been inspired as writers and storytellers.
