

# Music Scheme - Charanga Musical School

## Scheme Overview

The Charanga Musical School Scheme provides teachers with week-by-week lesson support for each year group in the school. It is ideal for specialist and non-specialist teachers and provides lesson plans, assessment, clear progression, and engaging and exciting whiteboard resources to support every lesson. The Scheme supports all the requirements of the national curriculum.

In line with the curriculum for music and guidance from Ofsted, this Scheme moves away from the previous levels and learning objective/outcome concepts to an integrated, practical, exploratory and child-led approach to musical learning.

Ofsted have stated that “We will not always know the learning outcomes” so segregated learning objectives at the start of each lesson are not appropriate. Instead the interrelated dimensions of music weave through the units to encourage the development of musical skills as the learning progresses through listening and appraising, differing musical activities (including creating and exploring) and performing.
